

AUSTRALIAN TOUR INFORMATION 2018

NATIONS CUP TOURNAMENT Auckland, New Zealand.

Australian and Indigenous Australian Teams Tour Dates: 16 -23 January 2018

Players are required to book flights to ARRIVE in Auckland on Tuesday 16 January 2018

The Tour will commence from this date and conclude either Monday 22 or Tues 23 January.

(The Players have the option, as the Accommodation package is booked for 7 nights from 16 to 23 January 2018. Players may choose to leave Auckland on the Monday or Tuesday depending on the individual).

The Tour consists of players selected from various regions throughout Australia, and as such the logistics of trying to gather for training sessions prior to leaving Australia becomes a very costly and difficult exercise to complete.

Tag20 have sought the fairest and most inexpensive solution, teams assemble in NZ and train on the TWO days leading into the tournament - Wednesday and Thursday mornings and afternoons.

This format worked well on the previous Tour in 2015. Players will have FREE TIME at the conclusion of each training session as well as after each tournament day, including all day Monday.

DO NOT TREAT THIS TOUR AS JUST A HOLIDAY.

Be proud of the privilege to represent Australia. Respect both Tag20 and your Country at all times.

THE BASE PACKAGE \$ 690.00

1. *7 Nights Accommodation - check in Tuesday 16 Jan 2018 - check out Tuesday 23 Jan 2018.*

Australian & Indigenous Australian Teams

Accommodation venue is University Hall. **30 Whittaker Place Grafton, Auckland**

This is a fairly new establishment designed for student accommodation during University terms and available to Sports Organizations in between terms. Every player will have their own room with each floor having a common room with kitchen, TV, Tea & Coffee etc.

Breakfast and Dinners are included in the package, at the Dining Hall on the ground floor.

Packaged lunches are available at a small cost, on tournament days. (pre order only)

Supporters and Parents

All are welcome to purchase the Accommodation / Travel / Meals package to stay with the teams and be a part of the tour. The cost will be \$690 which is the same as the player's component.

Supporters and Parents are also welcome to order and purchase supporters apparel from the Supporters package, as well as any item from the Extras list. Unfortunately, the players package is available to representative players only.

As a Tour of this scale, the Accommodation, Food and Transport are a collective package and as such are unable to be split into individual components.

IMPORTANT: All players are responsible for their own AIRFARES and TRANSFERS to and from the airport.
